Ironized Paw-Paw Will Do So If You Give It An Honest Trial.

UNSOLICITED TESTIMONY POURING IN

After an interview with the "Iron Man," Mr. L. Whiteman, Box 173, R. F. D. No. 2, Norfolk, Va., a farmer by occupation, in a signed declaration states: "I suffered a long time from a weak heart and palpitation, nervousness and sleeplessness, with acute indigestion. I tried many medicines without any satisfactory result until I saw Ironized Paw-Paw advertised. I decided to make one more trial and bought a bottle at Burrow, Martin & Co., 414 Main street; the result was so good I bought a second bottle and now I feel my nerves strengthened. My heart appears again normal. I sleep as well as I ever did, appetite has returned. I can eat without any feeling of distress; in fact, I firmly believe your Ironized Paw-Paw has made a 'NEW MAN' of me."

"Shall be pleased to give every information to any unfortunate sufferer, as your Ironized Paw-Paw is worth its WEIGHT IN GOLD, and shall never be without it in my home."

Ironized Paw-Paw has been favorably known throughout the whole world for the past 20 years. There is no guesswork or necessity to praise its value—thousands of people have done so. Go where you will, Paw-Paw is known, and in presenting Ironized Paw-Paw (the addition being nux and iron), we have achieved an unparalleled success, as the thousands of grateful testimonials coming in prove without doubt.

Don't Buy a Wagon Until You Have Seen the Columbus*

Before you decide on any wagon, examine the Columbus. Strongly built of the best possible material the Columbus wagon gives the most satisfactory service for the longest period of years. There is no secret in the notably long life of the Columbus wagon. It is the result of the methods employed in construction. There is no wood in this wagon which has not been air-dried under shelter from one to two years.

The axles and the spokes of the wheels are hickory; the hounds, bolsters and sandboards are oak, and the bottom of the box is straight grained flawless pine. These are just a few examples of the care which is taken to make this wagon as reliable as possible. The result is that the Columbus wagon is unbeatable in reliability and endurance. Come in and examine it for yourself. We know you will be pleased.
